

## COMMITTEES

## PREFACE

The Vereniging voor Studenten Psychologie en Pedagogiek aan de Vrije Universiteit te Amsterdam (hereinafter referred to as VSPVU) has numerous committees. The definitions and requirements of a committee are described in the Internal Regulations. The committees that are active may vary per academic year. To keep the Internal Regulations more organized, while allowing the Board of the VSPVU to update the document more frequently, it has been decided to record the exact committees in a separate piece of the Internal Regulations. The committees Raad van Advies (Advisory Board) and Kascontrole (Financial Audit) are excluded from this overview. The document below was updated in the academic year 2025 – 2026 by the 79<sup>th</sup> Board of the VSPVU.

Kind regards,
